Follow the Viking Globetrotters

Over 40 students and faculty are spending spring break across the pond.

Their England adventures can be found at:

<http://vikingglobetrotters.blogspot.com/>.

Raffle Winners

Congratulations to those who won awards in the raffle!
Thank you to everyone who supported the St. E raffle!

Grand Prize - Monica Trout

\$100 Winners - Ann Bleacher, Rory Ciszkowski, Alyssa Graziose, Eleanor Greek, Lynn Konizer, Abigail Martin Del Campo, Linda Papalia, Sheila Ross, Christopher Sweeney, Deb Wambold

Beau Biden Foundation Presentation

Patty Dailey Lewis joined the St. E community to talk about internet safety. She gave three presentations: one to high school students, one to junior high students, and one to parents. We are grateful for her time and information to help us keep our students safe.

Prom Fundraiser

Enjoy dinner at the Panera on Main Street on Monday, April 24th from 4:00 pm - 8:00 pm. A portion of the proceeds will benefit the St. E Prom. You must bring the attached flyer for the proceeds to be directed to St. E.

Special Olympics Basketball Coach

Freshman Adam Levine just completed his second season as a volunteer basketball coach with Special Olympics Delaware. He helps coach the Wilmington Wizards Steelers team. The season wrapped up last weekend with the annual state basketball tournament at University of Delaware. The team came in third in their division, but more importantly, demonstrated sportsmanship and joy in playing.

Coach Adam Levine is in the first row on the left.

Alex and Ani Fundraiser

Visit Alex and Ani on Main St. in Newark for a charmed charity event. On Sunday, April 23, 15% of all proceeds from 1 pm to 3 pm will be donated to St. Elizabeth School.

Jefferson Awards School Winners

A morning assembly before Easter Break recognized students who made significant contributions in community service. As a Catholic School community, students are required to volunteer a 60 service hour minimum to graduate at the end of our four years here at St. Elizabeth. The majority of our students go above and beyond this minimum because of their dedication to serving the needs of others. In recognition of their outstanding efforts, the St. Elizabeth High School Jefferson Awards Club honored the following students for their impact on their community both in school and outside:

**This freshman has a total of 247 hours mostly from his work over the summer with the St. E summer camp that was held on campus. He was a camp counselor who moderated a group of campers throughout their daily routine of activities. He not only helped with enthusiasm but also shared his passion for St. E with campers. Congratulations, Sam Janicki.

**This Viking has dedicated a lot of her time to representing the St. E community at different events as well as had many shadow students that she has willingly guided as they look to choose a high school for the upcoming year. With a total of 148 service hours already as a freshman, congratulations, Megan Somers.

**This sophomore has truly dedicated herself to the service of others. She has logged 287 service hours by managing the boys soccer team as well as spending her summer at Beetle's Playhouse daycare center. As a viking she is involved and

devoted to her school community. Congratulations, Elaina Neri.

**This student is a go-to viking ambassador that is always willing to step up when his school needs him. This year, he impressed the school community by saying a prayer intention at mass in sign language and soon after created an American Sign Language club here at school. His leadership skills and dedication to service have earned him 210.5 service hours. Congratulations, Sophomore Christopher Szczerba.

**Not only is this next student involved in numerous extra curricular activities, he has also logged 298 service hours. This viking has not only participated in numerous events promoting St. E, but also takes his academic skills and uses them to help out younger students in peer tutoring. During the summer, he has worked as a camp counselor at Adventure Kids Summer Camp, helping children be active in outdoor activities and sports. Congratulations, Junior Jack Cottrell.

**This viking truly does it all. She is a star on two varsity sports teams, a scholar in the classroom, and a leader in everything she does. Despite a full schedule, this junior still manages to shine as a viking ambassador and a leader in various extra curricular activities such as future teachers of America and SLG. She has also dedicated much of her summer vacation time to volunteering as a camp counselor for the Turf Monster Field Hockey Camp. For obtaining 249.5 service hours

through her hard work and dedication, congratulations, Claudia Roncone.

**With the senior's time winding down here at St. E, there is a scramble to get things done.

However, despite all of the hustle and bustle of the end of the school year approaching, this viking was still able to dedicate time to the service of others. Planning to serve in the United States Navy upon graduation this viking is

dedicating his future to the service of his country and has recently earned his Eagle Scout title. For your outstanding impact and dedication to the service of others, congratulations, Justin Lawson.

**Everyone knows this viking for her athletic talent, but what you may not know is that on top of being a varsity three sport athlete, this viking has documented 1,022.5 service hours. She has dedicated hundreds of hours at Camp Small Wonder and events with the Alpha Kappa Alpha Sorority. Congratulations, Senior Alanna Speaks.
