Beau Biden Presentation

On Monday, April 10, Patty Dailey Lewis of the Beau Biden Foundation will visit St. Elizabeth to talk to students from the Upper School at 11 am and parents at 6 pm about Internet safety. All parents are invited to attend the evening meeting in the BPAC. In this age of frequent changes in the digital advancements, the presentation provides parents with practical tips for talking to children about Internet safety.

England Trip

Over spring break 38 students and 8 chaperones will explore England. Their trip includes viewing a theatre show in the West End, traveling to the Tower of England, and visiting the Roman Baths. Follow their adventures at: <http://vikingglobetrotters.blogspot.com/>.

Puerto Rico Trip

information.
registration deadline

The Foreign Language Department is planning a student trip to Puerto Rico for Spring 2018. This is a great opportunity for students to use their Spanish language skills and immerse themselves in another culture. Please contact Mrs. Donohue at tdonohue@viking.pvt.k12.de.us for more

College Fair

Armed with resumes and tips on speaking with college admission counselors, our students attended a college fair at St. Mark's High School. St. E students had the highest representation out of schools present. Unsurprisingly, the college admission counselors spoke highly of our students.

Erin M. Giles Scholarship Foundation

St. Elizabeth students have been the grateful recipients of the Erin Giles Scholarship Foundation. The scholarship fund is named after Erin, a St. Elizabeth graduate who passed away in a tragic traffic accident. The fund supports students who are in need of tuition assistance. Please consider attending their 2017 Kickoff Party on Saturday, April 22 at the Elsmere Fire Company. The event is from 6 pm to 11 pm. A flyer with more details is attached.

Student of the Week

The student of the week has been a visible and prominent presence at every major St. E event in her four years as a student. She is dedicated to helping other students experience high school as a Viking. She has helped with numerous presentations to prospective families, conducted countless tours of campus, helped with practice tests, back-to-school nights, Choose St. E nights, and freshman advisory nights. The list could go on! Our Student of the Week is a dedicated and responsible individual that has helped bring our Benedictine mission of St. E to many future families.

Congratulations to Student of the Week... Erin Allston!

Maroon and Gold Athlete of the Week

Most of the time when we think of exceptional athletes it centers around the highest scorers, team leaders or those who make the highlight reels. However, there is a lot to be said for the players who day in and day out do what is needed to help the team in a quieter manner. This week's Maroon & Gold Athlete has accepted that challenge and has become a vital part of the offensive aspect of her team. She has increased her aggressive play, which helps to create turnovers and counterattacks. So far this season, she has three goals and an assist through the first three games.

For her quiet but impactful presence on the soccer field, congratulations to our Maroon and Gold Athlete of the week - sophomore, Jillian Hendricks.

How tall is the Church steeple? 125 ft according to the our Precalculus students who employed the Law of Sines to arrive at their findings.
